# Resources Packs into Schools

We are offering FREE physical resources\* to schools to support your child's learning, & FREE training by a Specialist Down Syndrome Advisor for the relevant teaching staff on how to use the resource.

01

# Complete Application From

Parents speak to school/nursery about child's needs and send application to DS Achieve.

02

#### **Assessment**

Our Advisor arranges a visit to the school/nursery to assess your child's needs and recommend the best resource to help their development.

03

## Resources & Training

DS Achieve purchases the recommended resource and our Advisor books training with school/nursery.

04

### Follow up review

School/nursery implements advice.
Our Advisor schedules a follow up call with school/nursery after a set period to give any further advice.

\*Examples of resources are See and Learn kits or physical maths resources.
